Departing From Marrakech

Historical visit of Marrakech

The historical visit of the city is a road full of milestones reminding those of its edification : The famous Koutoubia Tower is an example of Hispano Moorish art, with its 70-meter high minaret. The Bahia Palace and its gardens of orange trees, jasmines... the splendours of its cedar wood domes and of the marble columns in the rooms of the Saadian tombs... An incursion through the time.

Price per person : 20 Euros (Min 4 people)

Marrakech by a horse carriage

The horse carriage's tour of Marrakech will lead you to "Les Jardins Majorelle". A real extraordinary haven of peace that has been bought and rehabilitated by the French celebrity Yves Saint-Laurent. Continuation outside and along the Medina's walls and fortresses until the garden of Menara with its famous summer pavilion

Price Per person : 25 Euros (Min 4 people)

Medina & Souks

An invitation to discover the hidden face of the Medina of Marrakech with its narrow streets. A labyrinth that gives you an opportunity to admire all the richness of an infinitely varied handicraft : tanners, potters... In Djemaa El Fna square, acrobats, snake charmers and gnaoua musicians offer to the visitor one of the most astonishing shows... Very unique moments.
